

# Word Clouds

# What are some ways to express ideas?

- Writing
- Drawing
- Discussion
- Any others?

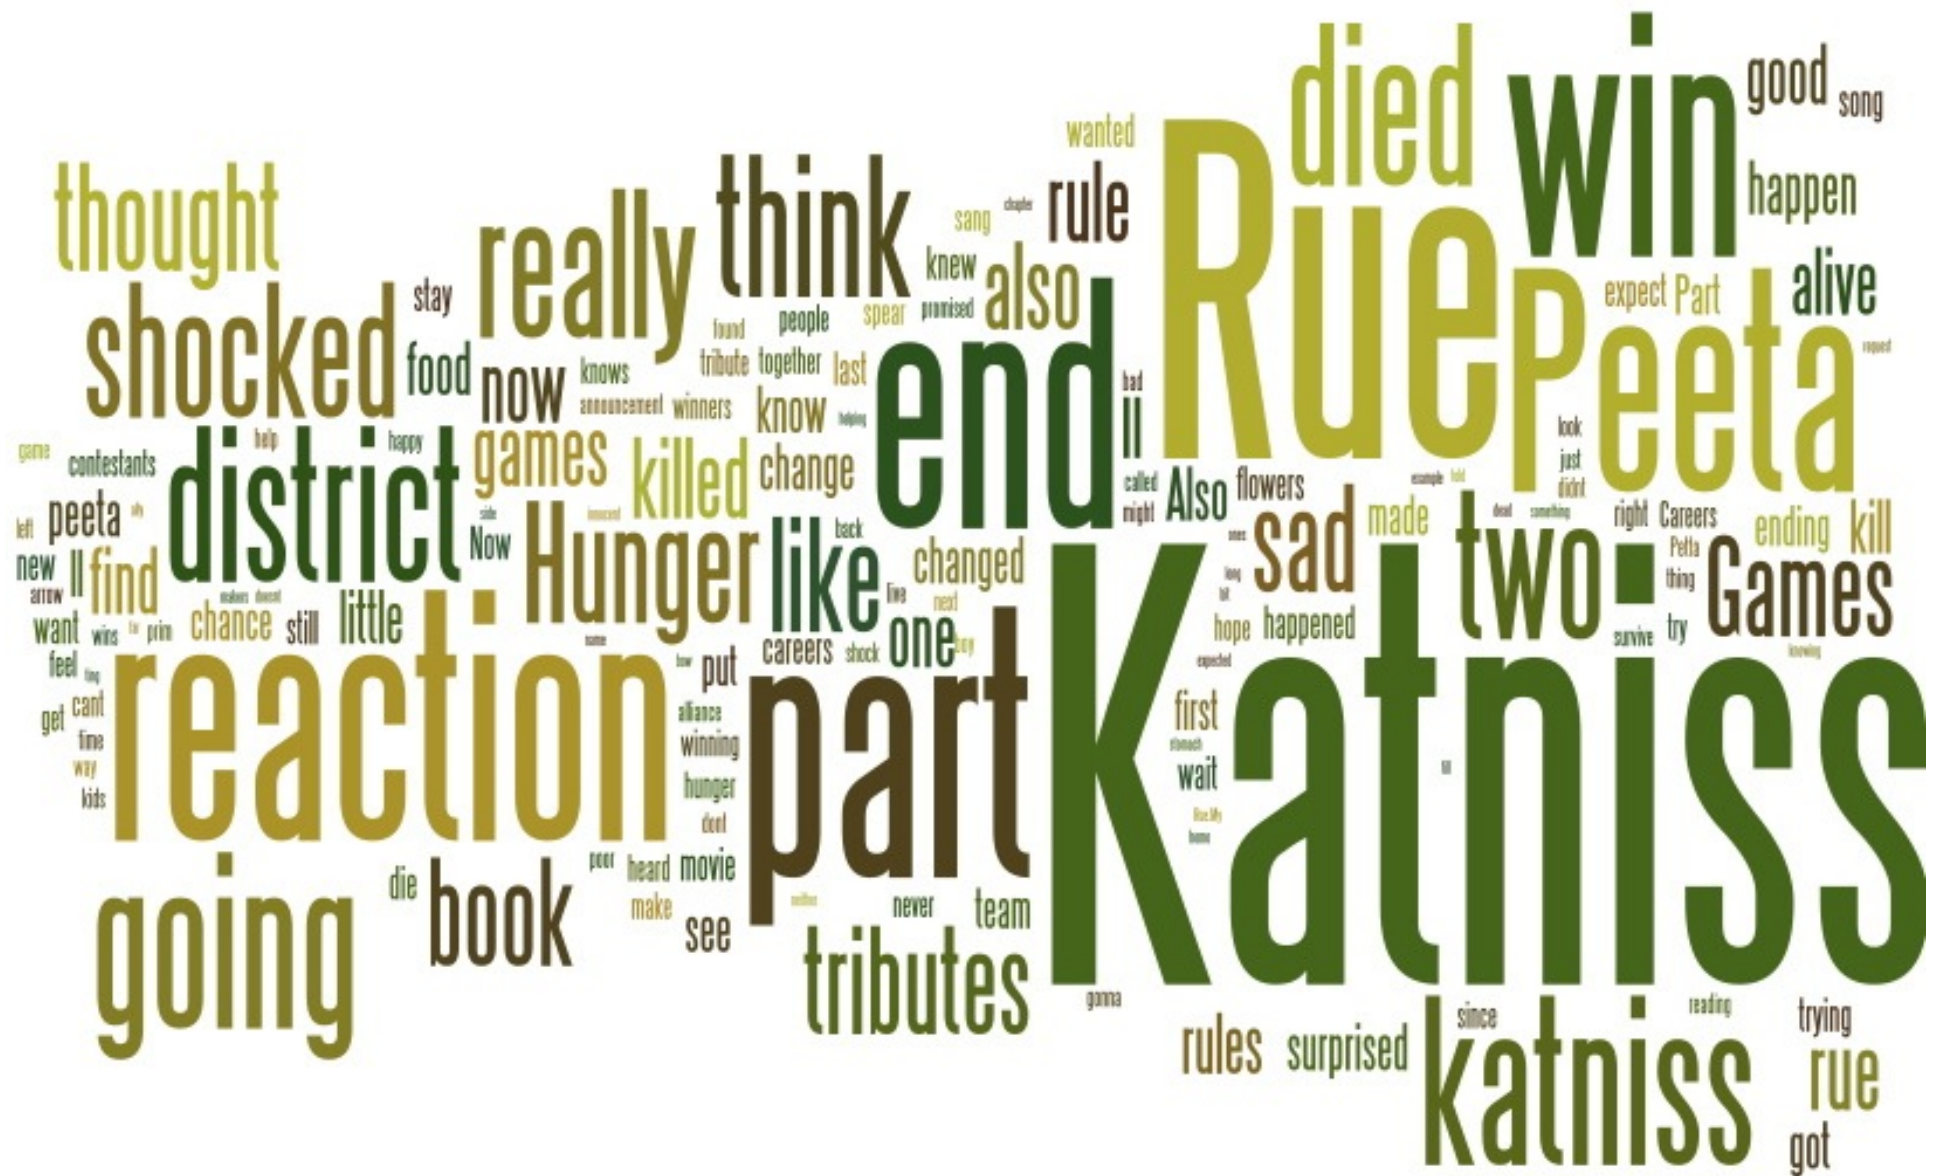

Why not combine writing and drawing?

A word cloud graphic with the words 'expression', 'writing', 'ideas', 'drawing', 'word map', and 'content' arranged in a circular pattern. The words are in various colors (dark red, dark teal, brown) and sizes. 'word map' is the largest word, positioned at the bottom center. 'drawing' is at the top right, 'expression' at the top left, 'writing' in the middle left, 'ideas' in the middle right, and 'content' at the bottom.

# Can you make one for The Hunger Games?

- Create your own word map for the Hunger Games
  - What are some important words for the book?
  - Should you focus on more than just characters?
  - What are two things besides characters that can be on the word map?
  - What should the 'size' of your words be?
