

Advice From a Graduate Student

Erick Draayer

New Mexico State University

Computer Science

BE BOLD. Shape the Future.

My Experience

- Started as an undergraduate researcher
 - Data Mining Lab at NMSU
 - Worked with several other grad students and Dr. Cao
- Summer Internship as a researcher in the Airforce
 - Worked with Biologists in Ohio

My Experience

- Current Research at NMSU
 - Working in the Data Mining Lab
 - Change point and anomaly detection in time series
- Year-Round internship with Sandia
 - Working with statisticians, computer scientists, and seismologists

Advice

- Get Involved in Research ASAP
 - Undergraduate opportunities at NMSU
 - Summer Internships
- Why?
 - Research experience
 - Figure out what you do and do not like
 - Make professional connections

Resources

- Professors
- Online Materials
 - Association for Computing Machinery (ACM)
 - Udacity
 - MIT
 - Stanford
 - Youtube
